

## **Bus Pass Information**

School districts are not required to provide regular transportation service, however; the Mother Lode Union School District has elected to provide limited service to students in eligible service areas for a fee.

All students are required to fill out a Bus Stop Assignment form to help determine if pupils requesting transportation have the required escort as pursuant to paragraph (3) of the subdivision (c ) of section 22112 of the Vehicle Code, along with procedures for boarding and exiting a school bus at school or other trip destinations.

School bus passes help identify students, the school they attend, and their appropriate bus stop.

New this year on our district's web site, we will have for your convenience on-line bus fee pay.

Early bird discount is available through the month of August.

Shuttle bus will be provided at two (2) locations this year. Bus fees for utilizing the shuttle bus service this year will be required.

No fees will be charged to qualifying students due to low income or foster status. However, the necessary paperwork and proof of income will be required. To qualify for busing, a student must live within the eligible service area for their school of attendance. Inter-district/intra-district transfer students and grand parented students are not eligible for transportation. Fees and service areas are reviewed annually. Falsification of information is cause for revocation of bus pass and bus riding privileges.

### Students Responsibility

Students are required to show their transportation pass each time they board the bus. Passes are issued on a round-trip or one way basis. Single ride tickets are available for those students who need to ride the bus occasionally on a space available basis.

### Bus Stops

Students may request a separate morning pick-up from the afternoon drop-off location if it is serviced by our district. Inconsistence in student bus stops and/or multiple pick-up and drop-off locations are not accepted for student safety.

### Lost/Damaged Passes

Should a pass be lost, stolen or damaged, please contact the District Office immediately to secure a replacement so that your student may continue to ride. A \$5.00 service charge is required for a replacement pass.

### Bus Rules and Regulations

Parents/guardians and students should be familiar with the bus rules and regulations. Violation of any of the rules and regulations may result in the suspension or revocation of the student's ability to ride the bus. Many of our buses are equipped with video and audio recording systems. Boarding the bus is consent to audio and video recording and may be used in disciplinary proceedings.
