

**MOTHER LODE UNION SCHOOL DISTRICT
FOOD SERVICE DEPARTMENT
3783 FORNI ROAD
PLACERVILLE, CA 95667
PH (530) 622-4814 or FAX (530) 626-7284**

Welcome to the Mother Lode Union School District Food Service Program. Attached you will find information and an application for the **Free and Reduced Price Meals Program**. If you feel you qualify, complete the application listing **all children and adults** living in the household and return it to your child's school office for determination. You will receive notification within 10 working days as to the status of your application:

If you are approved for **Reduced Meals** or need to pay **Full Price**, the costs are:

Reduced Breakfast	\$. 30	Full Price Breakfast	\$1.50	Adult Price Breakfast	\$2.00
Reduced Lunch	\$. 40	Full Price Lunch	\$3.00	Adult Price Lunch	\$3.25
White Milk	\$.35	Chocolate Milk	\$.50		

The Food Service Department encourages prepayment for meals. You can prepay for more than one meal at a time if you prefer. Here are ways in which you can make payment to your child's account.

- You can pay on-line. This is the fastest and easiest way to make payment.
- As an incentive to set-up your child's account on-line, we offer a bonus lunch for every \$30.00 payment. Once their account is set-up, you are able to monitor the activity on their account. Parents with already established accounts will also receive this bonus incentive.
- You can pay daily by check or cash.
- You can pay in advance by check or cash.
- You can pay by mail.
- All checks are to be made payable to **MLUSD** and mailed directly to:

**Indian Creek Elementary School
Food Service Department
Attention: Stacy Escobar
6701 Green Valley Road
Placerville, CA 95667**

If you send checks for more than one child, please list your children's first and last name and the amount of money you want applied to each child's account.

REMEMBER: Free and Reduced status means: (1) **Free** is entitled to a free breakfast and a free lunch. (2) **Reduced** will receive a breakfast for \$.30 and a lunch for \$.40. **Lunches for field trips are available and must be ordered in advance with the Field Trip Permission Slip.**

The Food Service computer system can accommodate up to an \$8.00 charge on student accounts. The computer program will automatically alert the cashier when your child's account balance is low. When this occurs, as a courtesy, we will stamp your child's hand as a reminder to you that money is owed on their account.

If you have any concerns regarding the program, please call **Stacy Escobar** at **622-4814** between the hours of 6:00 am and 2:00 pm. Also, remember to check the MLUSD website for access to the breakfast/lunch menu, as well as other pertinent school information.
