CHOICE OF ONE ENTRÉE – SALAD/FRUIT BAR
Grilled Cheese Sandwich/Pizza/BBQ Chicken/Birthday Cake

Students:

Please turn in your **completed and signed forms** to your 1st period teacher. Also, turn in your \$7.00 for your **Planner**.

Due to the larger number of students wanting to work in the ball shed, ball shed workers are going to work for one week instead of two, allowing more students to have a chance to work.

Reminder: Students must have 80 or more merits and a GPA of 2.0 with no “F’s” to stay after school and participate in extra curricular activities. This includes staying to watch the games. Students staying to watch the games are to be in the gym – no hanging out on campus.

Happy Birthday to Jeremiah Johnson, Hannah Lohan, Eva Morales and Jordyn Trulli!!!

Week-end Birthdays: Deziree Kohler and Shaelynn Yielding are celebrating their birthdays on Saturday, August 21. Xavier Nava is celebrating his birthday on Sunday, August 22.

New detention and referral forms are here. Please discard all old forms. You can tell the new ones because: They have the date 8/10 on the bottom left, the detention slips have dress code in the last column and the referral slips have NON COMPLIANT on the left column.

Please check only ONE item on the detention form, i.e., “not following directions” or “class disruption” etc. We are unable to enter more than one category per detention slip in the system. This will enable us to utilize the reporting function correctly within aeries.
